Priority

Applicant's priority claim is granted. Although the declaration fails to formally claim priority based upon applicant's failure to complete the boxes set forth in the priority claim, the Office will recognize the informal priority claim based upon applicant's intent to claim priority as evidenced by the submission of the Hungarian document.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Wight on 1/09/04.

The application has been amended as follows:

Claims 12 and 13, line 3, change "the" to "a".
